KDSCSC Society Ltd., sanctioned kirana shop to one Yerramsetty Pydeswara Rao, S/o Pothuraju at Door. No. 15/421-7, Machilipatnam. Enquiry revealed that only 15/421 door number is existing in Machilipatnam and not its sub-divisions. (Copy of panchanama report is enclosed as Annexure – XVII). Further enquiries were conducted to identify the beneficiary with the help of his photograph affixed on the loan application No. 16619 and it was identified as that of one Taiapalli Yebelu. Enquires with Smt. T. Devakumari, W/o Yebelu revealed that her husband is a worker in local hardware shop and that they never availed any type of loan from SC Society. Copy of Statement of Smt. T. Devakumari is enclosed as Annexure – XVIII

A full-scale enquiry is likely to disclose more number of such cases.

Article of Charge. 2 Disregard of the guidelines of the scheme by the officials of KDSCSC Society Ltd., in selection of alternate occupations, imparting training and providing Post Asst. Delivery support to the beneficiaries.

As per Para 4.2.5 of the AP mission for eradication of manual Scavenging & Rehabilitation of Scavengers in Andhra Pradesh, counseling shall be organized for the scavengers to identify suitable alternative occupation of their choice. On selection of the unit, the beneficiaries and their dependents are to be trained on subject of Asset Management for a period ranging from 1 to 4weeks before handing over the Asset. Finally the asset provided to the beneficiaries shall be monitored for a period of six months in terms of keeping close watch on asset performance and income generated etc., (copy of guidelines enclosed as Annexure – XIX)

However, many beneficiaries were never given any opportunity to choose the alternative occupation of their choice, and the selection of the alternative occupation was done by the officials of KDSCSC Society Ltd., Machilipatnam at their convenience and with connivance of the suppliers. No training programmes were conducted on asset management for any kind of business, even in the technical oriented occupation such as running Xerox machines, cycle repair shops, centering materials etc., which requires special skills.

The officials of KDSCSC Ltd., Machilipatnam organized Asset Distribution programmes at Machilipatnam, Gudivada, Gudlavalleru, Nuzivid and Vijayawada wherein the selected beneficiaries were summoned and the assets were forcibly distributed to them. Almost all the beneficiaries examined in this regard have stated the above facts.

It is further submitted that no steps have been taken so far to monitor the performance of the delivered assets.

Article of Charge. 3 Placement of orders to the suppliers not approved by the purchase committee

Out of the 7 suppliers enquired, 2 of them viz, Ms. Baji Shamiyana, Viajayawada and M/s. Srinivasa Shamiyana Works, Guntur were not approved by the purchasing committee.

Further, one Syamala Enterprises, Machilipatnam which is located in a small room in Machilipatnam town and not having any infrastructure dealership, supplied variety of articles viz., Kirana material, tent house, Rickshaws, Cycles, Clothes, centering material etc., all worth Rs. 90.00 lakhs to the beneficiaries with whom he never had any direct contract. It is noticed that without verifying the actual capability of the firm, its name was included in the Approved list. The fact that the firm took loan from banks basing on the advance indents given by the then ED, KDSCSC Society Ltd., Machilipatnam and closed the business of the firm immediately after distribution of the assets, indicates the ill motive of the firm.

Similarly, M/s. Mega Copier Systems, Vijayawada, M/s BSK Copier Services Vijayawada and M/s, Amar Traders, Vijayawada also have opened their business activities just before the grounding of the scheme, which clearly indicates, the connivance of officials of the KDSCSC Society Ltd., Machilipatnam, mediators / brokers and the owners of the above firm. The statements of the above suppliers confirm the above facts.

➤ **Supply of sub-standard material to the beneficiaries and recycling of the same to all the beneficiaries by the suppliers.**

Perusal of the invoice / bill copies submitted by the suppliers of Xerox machines viz BSK Copier Services, Vijayawada and Mega Copier Systems, Vijayawada revealed that Reconditioned (RC) Xerox Machines were supplied to the beneficiaries. Copies of the quotations and bills of the above – mentioned firms are enclosed at Annexure – XXI. The above suppliers also confessed to the fact that they bought few Xerox Machines which they recycled to sell to other beneficiaries.

➤ **Distribution of Cash instead of Assets by the suppliers**

Enquiry revealed that many beneficiaries were given cash, those too only partial amounts, in place of assets by the suppliers through mediators, defeating the very object of the scheme.

➤ **Hijacking of the benefits of the scheme by the brokers.**

Enquiry with the beneficiaries revealed that there are well-established brokers moving around the SC, Corporation office for hijacking of the benefits of all the schemes. It is also revealed that most of the beneficiaries were not even aware of either the procedure of applying for the benefit scheme nor the repayment schedule, leave alone the functioning and profitability of the asset. Thus, the brokers amassed large amounts by getting sub standard assets supplied and getting the same re-purchased by the suppliers. Statements of the beneficiaries and suppliers confirm the same.

➤ **Indiscriminate release of the working capital by KD SCSC Society Ltd., Machilipatnam leading to misappropriation of the released amounts by the mediators.**

Enquiry with the beneficiaries sanctioned with Rs. 1.0 lakhs loan for Xerox Machines, revealed that, the machine of worth Rs. 65,000/- (as shown in the bill) was given to them which was taken back immediately from the beneficiary by the supplier by paying Rs. 45,000/- in cash. The balance amount of Rs. 35,000/- shown as working capital during the sanction of loan was released to the beneficiaries by way of DDs without any verification as to whether the asset was properly grounded or not by the KDSCSC Society Ltd., Machilipatnam. The working capital so released in the form of DDs in favour of the beneficiaries was misappropriated.

➤ **Retrieval of meager amounts by the beneficiaries on sale of the materials supplied, on account of ignorance of the real worth of the materials supplied to them**

Enquires with beneficiaries who were supplied with units such as pushcart with plastic and steel utensils worth Rs. 50,000/- revealed that, on sale of the materials supplied the beneficiaries got an abysmally low sum of Rs. 600/- to Rs. 800/-. Similarly, beneficiaries who had received cycles and spares for Rs. 50,000/- had sold the material for Rs. 11,000/- only.

Article of Charge. 4 Abuse of power and official corruption by the ED and staff of KDSCSC Society Ltd., Machilipatnam.

Enquiries with the suppliers viz Amar Traders, Vijayawada, Bazi Shamiyana, Vijayawada, Omkar Shamiyaana, Guntur, Srinivasa Shamiyana Works, Guntur BSK Copier Services, Vijayawada, Mega Copier Systems, Vijayawada, have revealed that bribes to a tune of Rs. 2000/- to Rs. 2500/- by

the ED, and Rs. 500/- Rs. 1500/- by the office staff was taken on each unit supplied to the beneficiaries.

➤ **Improper documentation leading to difficulty in loan recovery.**

Perusal of the applications revealed that the details furnished in the applications were not verified and certified by the concerned officer. In the absence of the above certification, signatures / thumb impressions of certain beneficiary were forged, facilitating impersonation and finally making loan recovery an impossibility.

In no application, caste and income certificates were furnished. Pronote was executed without affixing Revenue Stamp which makes it invalid. The signatures / thumb impressions of the applicants and witnesses were not certified by any officer in this Pronote. Address of the guarantors is vague without any door number, father's name, property details etc., and their signatures / thumb impressions were not certified by the concerned officers, i.e., Sub Collector, MD and MRO. Witnesses columns are also kept vacant.

All the above lapses in documentation and lack of efforts for loan recovery, due to callousness of the officials of KDSCSC Society., Machilapatnam would result in difficulties in loan recovery. Perusal of the loan recovery particulars since the inception of the scheme revealed that a meager amount of Rs. 4.771 lakhs was recovered against the demand of Rs. 235.595 lakhs.

Statement showing the recovery particulars of the past 4 years is enclosed as Annexure – XXII.

A copy of one of the sanctioned application form is enclosed as Annexure – XXIII.

OFFICERS RESPONSIBLE.

1. Sri. N. Dasaradha Rami Reddy, the then ED, KDSCSC Society Ltd., Machilapatnam and presently working as General Manager (Development), APSCCFC, Hyderabad.
2. Sri. M. Durga Rao, Jr. Assistant, KDSCSC Society Ltd., Machilapatnam. The above officers are responsible for the above mentioned irregularities.
3. Sri. M. Jaya Raju, Accounts Officers, KDSCSC Society Ltd., Machilapatnam is responsible for not scrutinizing any of the loan applications before sanction was accorded.

VERSION OF THE OFFICERS

Sri G. Nageswara Rao, ED and Sri. M. Durga Rao, J. Assistant DSCSCS Ltd., Machilipatnam have stated that the verification of genuineness of all beneficiaries was done during the session of Assets Display itself by cross verifying the details from one another from the group of beneficiaries available on that day and the awareness of the assets to the beneficiaries was created during the same session. However, they accepted that no monitoring was done after the delivery of the assets. Further, they are silent on the subject of sanctioning the scheme to the dead persons, supply of substandard material and recycling of Xerox machines. Regarding improper documentation, they stated that the necessity of income and caste certificate was not felt as the beneficiaries are already identified as scavengers with BPL status. Regarding sanctioning of the schemes without either attestation of the photographs of the beneficiaries or having signatures of any officer on all the applications processed, they stated that it is their practice to sign all the applications after grounding the schemes to all the beneficiaries. Statements of the ED and Jr. Assistant of KDSCSC Society Ltd., Machilipatnam are enclosed as Annexure XXIV.

Their version cannot be held tenable as there is ample evidence in the form of statements of the beneficiaries and suppliers confirming the mentioned irregularities.

Thus, it is evident that the then Executive Director, KDSCSC Society Ltd., Machilipatnam orchestrated the entire sequences of grounding of the schemes, for corrupt considerations, ably assisted by certain staff members, Mediators / Brokers and suppliers and made a mockery of the objectives of the scheme, thereby causing huge loss to the Government, apportioning the lion's share of the funds among themselves, which should have otherwise reached the poor and down trodden beneficiaries.
